

Police Oversight Community Forum

Thursday, October 21, 2021; 6:00 PM – 7:00 PM

Location: via Zoom online teleconference platform

The City of San Leandro is hosting two community forums to engage residents on the topic of community police oversight. Each forum will include identical content and so residents need only attend one of the two forums to participate.

The virtual community forums will cover the following topics:

- Background on police oversight
- Possible structures and elements of a police oversight model for San Leandro
- Opportunities for public feedback and questions

The forum will be moderated by [Brian Corr](#), immediate past president of the National Association for Civilian Oversight of Law Enforcement (NACOLE), and Teresa Magula from the [OIR Group](#).
